

Frequently Asked Questions

Licenses and Fees:

Do you need a Spanish license to play?

No, you do not need a Spanish license to play. However, having a Spanish license eliminates the need to purchase the mandatory insurance, as the Spanish federative license includes insurance. If you do not have this license, you must purchase the insurance.

Is the same fee applied to children as to adults?

Yes, children are charged the full fee, the same as adults.

How is the license arranged in online bookings?

When making an online booking, you will have the option to add the mandatory insurance during the process. If not included initially, it can be added in the pro shop.

What happens with replays on the course?

The license is charged only once per day, even if you do a replay.

When should the registration form be filled out?

Before starting your sporting activity, you must fill out the form in the pro shop. The process is simple and quick.

How long is the license valid?

The insurance is valid for 1 day and is tied to the duration of the sporting activity at our facilities.

Payments and Procedures:

How can I make the payment?

You can make the payment directly at our website, when booking your greenfees (on the first page of the process, at the “Extras” section) or in the pro shop. It is preferable to acquire it on the website, so everything is settled before your arrival.

Insurance and Accidents:

What if I have private insurance that covers damage at private facilities?

If you do not have a Spanish federative license, you must purchase the insurance to ensure coverage.

What coverage does the golf course policy offer?

Our policy covers medical and treatment expenses in case of minor or serious injuries. Damage to rented equipment is not covered.

What should I do in case of an accident or injury?

In case of an accident, you must inform the club staff.

Where is an injured client taken?

In case of injury, we refer clients to a nearby medical center to ensure they receive proper care.

Who needs to fill out the registration form?

Each client must fill out their own form. If coming in a group, each member of the group must complete it individually.
